

Information Resources

	Local Citizen-Driven Content
Northwest Neighborhood Association (NWN) www.nwneighborhood.com www.facebook.com/oldhillroad	NWNA is the official registered neighborhood association with Boise City and represents the geographical area between State Street to Hill Road and between Gary Lane to Horseshoe Bend Road.
Vanishing Boise www.facebook.com/vanishingboise	Information focused on growth, change, and other concerns impacting citizens.
ACHD Community Watchdogs www.facebook.com/ACHDwatchdogs	Specific content focused on citizen understanding and involvement in the inner workings and the outcomes of how your tax dollars are used for the ground you stand, walk, bike, drive, and live on.
The Boise Guardian www.boiseguardian.com	An independent online newspaper reporting from the perspective of the rule of law, free speech, truth, honesty, and a voice in local government.
	Local City & Development Content
City of Boise Weekly Newsletter "In The Know" www.cityofboise.org	To sign up, go to City website, use search bar to enter "In The Know" – then click on the link.
Boise Dev https://boisedev.com	Provides brief informative summaries on development news across the entire Treasure Valley area.
Capital City Development Corp www.ccdcboise.com	Supports urban renewal, capital improvement projects, infrastructure, & economic development with future plans for State Street as an urban renewal district.
State Street Corridor Transit Oriented Development (TOD) www.statestreettod.com	Development plans for land use and transportation with Glenwood intersection as a primary TOD node.
Compass www.compassidaho.org	Community Planning Association of SW Idaho covers Ada & Canyon County. Nearly everything you might ever wish to know about long-range transportation planning.
Smart Growth Idaho www.idahosmartgrowth.org	Provides statewide community assistance for land use development & sponsors the Citizen Planning Academy – a free monthly educational series on land use topics to help citizens become effective advocates.
	Urban & Suburban Development Content
www.strongtowns.org www.citylab.com www.uli.org	Perspectives, research, and studies on growth, development, challenges and solutions.

At the end of the day, transportation and/or land use plans, however well conceived, must be well executed if they are to accomplish their aims. Appointed and elected officials must follow them — and be held accountable if they don't. Citizens must care enough about their communities to pay attention and get involved in the incremental issues that determine how Idaho will look, feel and operate in the future.

— *Idaho Smart Growth Citizen's Guide, 2011*

It Takes A Neighborhood To Protect A Neighborhood

I WILL DO MY PART
